

## Mrs. Criminger's Session 2 Book List

Students will be reading at their own pace this session. Each class period will provide opportunities to aide in understanding and skill development. Choose a book with a growth mindset, setting a goal for the session that is a stretch, but within reach. For example, "I will read a whole series" or "I will read a challenging book and learn 3 new vocabulary words" or "I will read an easier book, and do an assignment" or "I will read, rather than listen to a book" or "I will read a book each week." Your child is unique, please help them to identify their own personal goals and write them down. Students may read or listen to books from any level, for there is value in all literature. Ready, set, READ! 😊
